

EMERSON PARK STOP  
TRANSIT TRANSFORMATION

# DESIGN WORKSHOP

WE WANT YOUR INPUT!

**TUESDAY, FEBRUARY 9 | 6-7PM**

**VIRTUAL (RSVP FOR ZOOM LINK)**

Do you live, work or play in East St. Louis? Then we are looking for your feedback for our Emerson Park Transit Stop Transformation Project. The St. Clair County Transit District has partnered with Citizens for Modern Transit, AARP St. Louis, and Metro Transit to transform this space into an active, creative, playful environment for not only our transit commuters, but also our community members. Do you have a vision for how you want to see the space? Then join us as we kick-off the transformation with a Design Workshop on Tuesday, February 9 at 6pm. Collaborate with our team virtually and give us your input on how to turn the existing space into an urban oasis that reflects the rich cultural heritage. The canvas is blank, and you are the artist! We look forward to hearing from you and bringing your ideas to life.

**RSVP: [JKnight@cbbtraffic.com](mailto:JKnight@cbbtraffic.com) by Monday 2/8 at 5pm**

Join this meeting via zoom: Link will be emailed to you when you RSVP
