

Seeking Caring Individuals to Make an Immediate Impact!

Be part of an innovative program in St. Clair County

Join a team dedicated to helping riders in need of integrated health care as part of an *innovative partnership* between Chestnut Health Systems and the St. Clair County Transit District.

Work in the community alongside Transit District Ambassadors, Bi-State Security, and sheriff's deputies to identify riders in need of help.

- Use recovery- and trauma-informed care philosophies to work with riders and colleagues
- Receive training on evidence-based ways to engage riders
- Engage riders in dialogue
- Connect riders to health care services tailored to meet their needs

Two positions available, each requiring a different level of education and/or certification. Interest or experience working in substance use and mental health services required.

Chestnut offers excellent benefits including medical, dental, vision, life, and disability insurance; retirement benefits; and paid holidays!

Chestnut is an Equal Opportunity Employer.
