## Addendum Information/Clarifications/Instructions for Bidders

1. Clarification - The special provisions have a spec for a project sign and that it is to be paid under its own pay item. However, there is no pay item for this work. Please verify that this will not be required. Answer - Project Sign is to be provided by IDNR, see Spec for contractor responsibilities and additional info. Pay Item number ZZZZ0007 Project Sign added to the project. See updated SOQ sheet 3 of 3 and updated BLR 12200a - Schedule of Bid Prices.
2. Question - The solar flashing beacon assembly, will it only require flashers and signs on one side of the pole? Answer - Yes.
3. Clarification - Option of using asphalt as a substitute in place of the PCC Shoulder, 6" was the approved by St. Clair County Highway Department. Contractor to bid project as currently designed with the shoulder pavement substitution paid for as PCC Shoulder, 6".
4. No further questions will be addressed prior to bid opening.

PLEASE ACKNOWLEDGE RECEIPT OF ALL ADDENDUMS BY INCLUDING A PRINTED COPY OF EACH WITH YOUR BID.
