ADDENDUM NO. 2:

Issued to All Bid Document Holders of Record

Date: September 9, 2022

Project Name: Tree Removal & Water Crossing

This Addendum forms a part of the Contract described above. The original Contract Documents and any prior Addenda remain in full force and effect except as modified by the following which shall take precedence over any contrary provisions in the prior documents.

QUESTIONS/RESPONSES:

1. Question – I am not seeing where there is any permanent stabilization called in the form of seeding.... Is there going to be any seeding included?
Response – Temporary erosion control seeding & mulching is to be placed on the disturbed areas of tree removal and the embankment areas of the low flow crossing and access roadway. Permanent stabilization is not required due to future construction activities within the project area.
2. Question – In the Bid Items I am not locating where we would insert costs for the earth Ex. Is the Earth Excavation part of this project or a future improvement?
Response – Earth excavation necessary for the low flow crossing and access roadway is included in the Lump Sum cost for Low Flow Crossing.
3. Question – I am not finding any bid items for the Agg Surface types A or B per typical section 1. Is this work part of this project, if so, where would we include this cost?
Response – Aggregate Surface Course TY A and Subbase Granular Material TY B necessary for the low flow crossing and access roadway are included in the Lump Sum cost for Low Flow Crossing.
4. Question – With the recent Addendum, as well as these questions, would it be possible to extend the bid date to 09/16?
Response – The bid date will not be extended. Bids are due as indicated in the Bid Packet.
