

ST. CLAIR COUNTY TRANSIT DISTRICT

RIDE. BIKE. CONNECT.

The St. Clair County Transit District's MetroBikeLink System consists of more than **39 miles of interconnecting trails and bike paths** in Southwestern Illinois.

A main artery of this ever-evolving system is the MetroBikeLink Trail, which features **14-miles of continuous trails that connect to six Metro Transit Centers** in four communities – offering seamless integration of biking and transit use via the MetroLink and MetroBus, as well as microtransit options like the SCCTD Flyer.
