

The St. Clair County Transit District's MetroBikeLink System consists of more than **40 miles of interconnecting trails and bike paths** in St. Clair County.

A main artery of this ever-evolving system is the MetroBikeLink Trail, which features **18 miles of MetroBikeLink connecting to seven MetroLink Stations in five communities** – offering seamless integration of biking and transit use via the MetroLink and MetroBus, as well as microtransit options like the SCCTD Flyer.
